

# Havasu Classic Spring Picnic

By: Dennis and Norma Daly

Another successful Havasu Classics spring picnic was attended by about 55 happy souls last Saturday in Rotary Park. Success can be defined as having just perfect weather, enough food to to feed the Russian Army on march for a week, enough "fabulous prizes" so that everyone got something, BBQ chefs that would make a French Chef blush with envy, and Olympian quality athletes vying for honor with a number of competitive events. Geri Houghten won the dart contest with a pair of aces beating out present and former club presidents who spent way too much time practicing and thus losing their edge. I believe the Houghten team won the balloon toss also. What a team! The only thing marring the event was the bullying of a mentally disabled, crippled, elderly gentleman (named above as Picnic Chairperson) sitting peacefully in his chair watching the good people of the Classic's having fun when an unnamed present club president snuck up this hapless gentleman(???) and poured cold water on him. This dastardly act was witnessed by no less than a few. Other than that, everyone seem to enjoy themselves. It was noted that Lana's spring rolls barely made it to the table before she was mobbed by what could be likened to a pack of starving hyenas, but it was later found to be not true that she suffered bite marks on her arms. The food brought to the event by club members was outstanding and should we collectively ever open a restaurant, it would be equally successful. George Meineike and Bob McQueen donned chefs hats to do cooking duties at the grill, and in almost 70 years of eating experience, this writer has never tasted better. Those who missed out deserve some pity and hopes that everyone can join us again next time. Dennis and Norma Daly

## DINA'S SPRING SHOW & SHINE - April, 2011

HavasuClassics' members chose Mike Tyler's 1968 camero for the Club's "Spring Selection" and Dina's "one Fine Ride" winner was Ralph Tedford's 1929 Ford 5 window coupe. Winner of the 50/50 was Judy Bruins, an avid hotrodder and full time keeper of Ron Bruins. Once everyone got parked we found that there were 75 beautifully prepared tire burning thumpy-thump inspired trucks and cars. The owner of Dian's Resturant donated 20% of the day's proceeds from the restaurant and a portion of the wait staff's tips. A check in the amount of \$525.00 was presented to Corrie Carver & Sherry Buckman, Co-Presidents of PTSO @ Jamaica Elementary School. Which also included the proceeds from the 50/50 drawing from the Club. Winner of the \$147.00, 50/50 was full Judy Bruins, full time hotrodder and part-time keeper of Ron Bruins.

**Havasu Classics car club will once again team up with Dina's Restaurant cruise and show in July for a "BEAT THE HEAT" morning car show. Mark your calanders for July 13th, 7:30 a.m. To 10:30 a.m.**

**TO THE MEMBERSHIP:** I want to begin by thanking every member in our car club for all the support and encouragement these past five years that I have served as your newsletter editor. I have taken pride in developing and composing the newsletter for you. None of this was possible without Karron being there to help edit, proof read and snap pictures. And, for that I am forever thankful. I informed the Board of Directors in March (which Dan announced at the April general meeting) that I am taking a year or more off and ask that they find a replacement Editor. When I informed the Board, I assured them that I would put the March and April newsletter out and that they should have someone on board by May so that I could help with the May and June editions. I am looking forward to being more active in the Club and contribute various articles to the newsletter from time to time. I encourage anyone interested in being the Editor to contact Dan Smith immediately. I pledge to support the new editor in every way possible. Thank you again for your warm friendship and support. Best regards, Lloyd Ames
